B700

Features

Low cost maintenance

Lightweight design provides easy handling whilst interchangeable components ensure standard parts are easily replaced

Testing / Quality

All products are factory tested and fully certified.

Application

Primarily used as a Pressure relief vent on floating roof tanks.

Self Draining

All products are designed so that any condensate drains away from seating areas.

* All products are subject to continuous development and subsequently 3B Controls reserve the right to change specifications outlined in this catalogue without notification.

B700 Series Rim Vents
